MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

INTRODUCTORY COMMENTS

In response to the Office Action dated May 28, 2004 (Paper No. 2, the "Action"), and further to Applicants' Response filed August 30, 2004, please amend the above-identified U.S. patent application as follows and consider these remarks (17 pages total). For convenience, the amendments and remarks of Applicants' August 30, 2004 Response are reiterated herein, and the instant Supplemental Amendment (relative to the August 30, 2004 Response) merely revises claim 1 to clarify steps (3) and (4) in that claim and make it comport with claim 5, which depends from claim 1; and corrects a typographical error in claim 49.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.

Remarks/Arguments begin on page 12 of this paper.
